

Boca Chica

Boca Chica Chiriqui is located one hour from the David Airport off the main Panamamerician highway.

The drive from the David airport is approximately 35 minutes on the main highway then another 25 minutes on the new road that is in the process of being paved as this is written. Up dates on the progress of this road will be published here.

A Chinese group has purchased 450 hectares from Felipe Rodriguez. This property has several kilometers of beach and the Chinese group is now bringing in U.S. companies for the infrastructure, golf course and marina. Low density construction is what is being talked about now.

More later on small existing hotels and the Istana project which at this time is the jewel of the area.

One of Istana's many beaches
