

Consulting

My consulting fees are \$90 per hour plus expenses taking into consideration a 6 hour working day. I have a basic minimum of 6 hours daily. I prefer not to work more hours per day on a consulting basis unless I am working in my office or home in which case I have a two hour minimum.

Regarding tours or out of office consulting. Plus expenses means fuel and hotel accomodations if needed. I cover my own meals.

Please email jim@panamaguru.com for more information.

Have a great day.
